
Folklore Center recording

Posted by capn - 2009/06/05 23:30

hello all, just found this site, nice to be in good company :)

I have a question re the 9 tracks on this site from the Folklore Center show - do all the recordings of this show have cuts throughout the tracks? (I think there are 5 cuts alone, at the beginning of Dolphins for example) and does anyone know if the future Tompkins Square release be 'uncut'?

I never heard any cuts in the tracks. I have the cd here, there are fourteen tracks, the sound quality of the first two tracks is not too good, the rest is good enough.

Hi Adrie,

Wat is je indruk van die "nieuwe" Tim Buckley?
Is de intensiteit vergelijkbaar aan die live cd Dream Letter?

vriendelijke groet,

Rein

Well having received it, thats a work of wonder!
Just wonderful to have this record of Tim so early in his career, yet already pushing himself forward.

Interestingly, I hadn't scrutinised the track list before i received it... but can anyone explain the discrepancy between the CD and the set list as previously experienced.... that is, the previous belief that tenth track was "it happens every time" and the 14th (and final) track was "Green Rocky Road/Rock Island line"...

All the publicity for the CD claims (or at least suggests) the CD contains all the tracks in their original running order.. but clearly , theres these two other songs floating about.... Anyone any the wiser about why the other two songs werent included, especially given the very specific claim about this CD being the original complete setlist?

Well, this "Complete Recording" just isn't that complete. Although I really appreciate this fantastic cd, nice sound, lots of songs I never heard before, it just does not represent the complete show.
I am afraid the "Really Complete Folklore Show" will be rereleased around Christmas Time, with a sticker "New! One concert for the price of two!":angry:

Runescape Gold i believe that we are not real social workers. We may be doing social work in the eyes of the people, RS Gold but we are really contemplatives in the heart of the world. For we are touching the body of Christ twenty-four hours
